ART REQUIREMENTS

Acceptable file formats

Vector art is highly recommended for all artwork

- Adobe Illustrator: .AI
- Encapsulated Post Script: .EPS
- Portable Document Format: .PDF
- InDesign (Package files)
- PhotoShop

Bleed

Artwork must extend at least 1/8 inch beyond the die line on each side.

Allow for 1/8 inch print margin inside the die line as well.

Fonts

Package all fonts & images

- If fonts are not included with files, all text must be converted to the outlines.
- Outlined fonts cannot be changed or edited.
- Outline fonts ensure no loss in submitted artwork's original appearance.

Sending artwork

Artwork submission alternatives

- Submit artwork to your Sales Representative.
- Send your art files via wetransfer.com

Colors and resolution

- All artwork must be in CMYK format – RGB is not acceptable.
- Black and white artwork must be provided in GRAYSCALE format.
- Keep all files layered and artwork resolution must be at least 300 dpi at 100% in size or there will be a substantial drop in image quality.
